

Re: Letter of Intent – Withdrawal of Admitted Non-Franchised Auto Dealers Program - KY

To Whom It May Concern:

Please accept this letter as our formal notice of intent to withdraw our admitted Non-Franchised Auto Dealers program in the state of Kentucky. This withdrawal applies to all associated forms, rates, and rules currently on file under this program.

Our company will no longer offer this coverage on an admitted basis in Kentucky. We plan to renew existing policies (provided they continue to meet our underwriting criteria) under our non-admitted writing company, The Burlington Insurance Company, effective 12/1/2025.

To support this withdrawal, we are providing the following information as required:

- **Total Written Premium:** \$818,545
- **Number of Policies in Force:** 155
- **Number of Pending Claims:** 31

With respect to any open or pending claim, we will continue to timely resolve claims in the same manner as we have done to this point, regardless of renewal status or change in writing company.

We respectfully request approval to implement this withdrawal by August 1, 2025. Please let us know if any additional documentation or information is required to facilitate this request.

We will ensure full compliance with all applicable state notice requirements regarding non-renewals and communication to insureds through the appropriate channels, including notice of non-renewal no less than 75 days, plus any applicable mailing time, prior to policy expiration.

Thank you for your attention to this matter.
