

Questionnaire and Certification for Value-Added Products and Services

Please respond to each question below:

- 1.) Provide the date that the service or product was first offered: 2/26/2026

Confirm that the current filing is being submitted within 10 days after offering or providing a product or service by checking this box: Yes
Or, this product or service has not yet been offered or provided.

- 2.) Provide a description of the product or service:

Barn Owl, a leader in reliable and affordable remote camera systems built specifically for farms, ranches and rural agribusiness operations. With simple cellular setup, solar power and rugged design, Barn Owl cameras let you monitor animals, equipment, buildings, gates and remote assets from anywhere — even when there's no Wi-Fi.

- 3.) Provide an explanation of how each criterion in 8 V.S.A., §4724(8)(C)(iv) is met:

- (I) Explain how the product or service relates to the insurance coverage.

This product is offered to all of our customers who purchase an insurance policy or coverage. The product is directly related to the protection and monitoring of animals, equipment, buildings, and gates. This offer gives 20% off to all of Barn Owl products through access to Nationwide policy.

- (II) Explain how the product or service is primarily designed to satisfy one or more of the following:

- (aa) provide loss mitigation or loss control;
- (bb) reduce claim costs or claim settlement costs;
- (cc) provide education about liability risks or risk of loss to persons or property;
- (dd) monitor or assess risk, identify sources of risk, or develop strategies for eliminating or reducing risk;
- (ee) enhance health;
- (ff) enhance financial wellness through items such as education or financial planning services;
- (gg) provide post-loss service;
- (hh) incent behavioral changes to improve health or reduce the risk of death or disability or an insured or potential insured; or
