Modification to existing products:

We are proposing a rate change to our private passenger automobile insurance programs (products 03D1, 03DP), underwritten by Viking Insurance Company of Wisconsin (03D1) and Dairyland National Insurance Company (03DP). These changes are effective for Renewals on February 23, 2026. Both products were moved to run-off status within VKNG-133139828.

The proposed change is to our base rates only and will result in an overall rate change of 0.0%. Enclosed, please find our updated Rate Manual reflecting the described changes. Don't hesitate to contact me if you have any questions or require additional information.
