

LOSS SETTLEMENT ENDORSEMENT — ORIGINAL EQUIPMENT MANUFACTURER PARTS INCLUDING GLASS

Coverage is subject to all of the terms and conditions of the policy, including **PART D — COVERAGE FOR DAMAGE TO YOUR AUTO** except as changed by this endorsement.

If the Declarations indicate that Loss Settlement — Original Equipment Manufacturer Parts Coverage applies, **Part D — Coverage for Damage to Your Auto** is amended.

The following is added to the **LIMIT OF LIABILITY** provision:

Whenever reasonably available as determined by us, we will specify in our repair estimate the use of new parts furnished by or for an original equipment manufacturer to repair or replace the damaged parts of "your covered auto".

If new original equipment manufacturer parts are no longer produced or are otherwise not reasonably available, or upon your request, we may specify in the repair estimate:

1. New parts not made by or for the original equipment manufacturer; or
2. Reconditioned, refurbished, or salvage original equipment manufacturer parts; ~~on our repair estimate.~~

This endorsement does not apply to "Custom equipment" in or upon "your covered auto". This endorsement also does not apply to ~~windshield glass, door glass,~~ tires, fasteners, nuts, bolts, clips, hardware, and other parts with a similar function in or upon "your covered auto".

This coverage ends at the policy renewal, after "your covered auto" reaches 10 years of age. The age is determined by subtracting "your covered auto's" model year from the current model year. The current model year is the current calendar year if your policy period begins prior to October 1; otherwise, the current model year is the upcoming calendar year.

This endorsement applies as stated in the policy Declarations.

This endorsement is issued by the company shown in the Declarations as the issuing company.
