EXPLANATORY MEMORANDUM

GENERAL MOTORS INSURANCE ADDITIONAL BENEFITS ENDORSEMENT

Submitted for your review and approval is a new endorsement – The General Motors Insurance Additional Benefits Endorsement – for use with our private passenger automobile product approved and in use in Illinois. This new endorsement will be used in conjunction with our currently approved Private Passenger Automobile contract, endorsements and other forms without modification.

This endorsement provides Additional Benefits to General Motors Insurance policyholders. Those may include goods and services or other items of value, charitable donations, or premium assistance programs where a third party pays a portion of General Motors Insurance premium. Each benefit program will detail the benefits available and terms and conditions, which will be available to customers upon request.
