Liberty Mutual INSURANCE

Thank you for participating in the LeakBot program.

This email is to inform you that the LeakBot program is ending. As of December 31, 2026, the device will no longer monitor the freshwater system or provide access to plumbers. No action is needed, and your LeakBot device does not need to be returned.

Beginning January 1, 2027, your device will no longer appear in the LeakBot app, and LeakBot's complimentary services will no longer be available. LeakBot does not offer a direct pay option to keep your device connected.

Thank you for being a valued customer and for your participation.
