New Program Submission  
Company Filing No.: POM-25-001**

Dear Commissioner:

Enclosed please find City National Insurance Company (the "Company") Ocean Marine Form Filing for your review and approval. The enclosed filing represents a new program for the Company in your state and does not replace any previously filed forms. A letter permitting Westmont Associates, Inc. to submit this filing on the Company's behalf is enclosed.

The Company is filing a new Ocean Marine Program in your state to provide insurance for cargo shipments against financial losses resulting from damage to or loss of goods during transport. This Ocean Marine Program is managed exclusively by Parsyl Insurance Solutions, LLC and is unrelated to any other Ocean Marine products currently written by the Company. The product will be distributed by retail brokers within your jurisdiction and the remainder of the United States.

Parsyl's capacity is uniquely situated in the admitted market to provide value to retail brokers servicing larger admitted clients. As such, Parsyl uses enhanced data, technology and proprietary underwriting systems to better understand and mitigate risk throughout complex supply chains. The Company and Parsyl believe that this admitted Ocean Marine product will bring much needed capacity in the admitted marketplace for this line of business.

Please refer to the attached policy forms and endorsements for additional information.

In accordance with your filing regulations, Ocean Marine rates are EXEMPT from filing review.

The Company is requesting the earliest possible effective date.

Your approval and/or acknowledgment of this submission is respectfully requested. Thank you for your attention to this matter.

Respectfully Submitted,
