Physicians Mutual Insurance Company is introducing a new Pet Insurance Program, and the captioned forms are being submitted for your review and approval. The rates and rules are being submitted separately (SERFF file number PHYS-134825624). The forms are new and do not replace any forms previously approved by your Department. To the best of my knowledge, they comply with all applicable state laws and regulations.

We reserve the right to alter the format of the forms submitted without re-filing due to future technology changes, e.g. paper size, font, font type, line ending or page ending changes. Be assured that any minimum font-sized requirements will be met. Any changes to wording or content would be filed for approval.

Your early review and approval of this filing is greatly appreciated. If there is anything I can do to facilitate the review and approval, please contact me via SERFF, or at the e-mail address or phone number listed below.

Sincerely,
