Filing Description:

With this filing we are revising our State Auto Homeowners insurance program, as detailed below:

We are introducing a new Smart Home Kit Offering for New Business effective 2/14/2019 and later. This will not be offered to existing policies at this time. This offering is for all owners forms (HO3/HO5). The Smart Home Kit Offering is the option to receive at no cost a Roost Smart Water Leakage/Freeze Detector and a Roost Smart Battery. The policyholder who opts for this and installs the products will also receive our Smart Home Discount for these devices as already on file in this program.

Your consideration and acknowledgement of our filing will be very much appreciated.
