Re: Accredited Surety and Casualty Company, Inc. (NAIC #26379): Formal Notice of Block Non-Renewal – Businessowners Line of Business (05.0002)

Dear Director Wise,

Accredited Surety and Casualty Company, Inc. (“Accredited”), in accordance with South Carolina Statutes Section 38-61-80 is writing to inform you of its intent to implement a block non-renewal of its Businessowners line of business (05.0002) in the State of South Carolina effective January 26, 2026. This block of business is written exclusively through Program Administrator Attune Insurance Services, LLC (“Attune”). Attune has elected to transfer the entire book to a Fortegra company. The transfer will occur without re-underwriting by either Attune or the new carrier.

These actions impact approximately 548 in-force policies in Sout Carolina with \$2,364,261 in direct written premium (as of 9/11/25).

We can confirm compliance with all nonrenewal statutes and regulations. Appropriate timely notice of nonrenewal will be provided to the affected policyholders with an offer of replacement coverage from Attune via Fortegra. Additionally, Accredited can confirm our intent to continue to assume liability for claims that are made prior to nonrenewal of policies as required by statute.

This action does not constitute a withdrawal from the South Carolina Businessowners market by Accredited Surety and Casualty Company, Inc. The decision to transition the book was made by Attune as a business decision. Accredited reserves the right to re-enter the market as future program administration opportunities arise and therefore, requests a waiver regarding the need to withdraw any current Form/Rate/Rule filings.

Please let us know if you have any questions or concerns.

Sincerely,

Skye Miles, J.D.
