Re: Notice of Intent to transition certain Allstate products held by its policyholders

Dear Commissioner Keen,  
Allstate Insurance Company (“Allstate”), an Illinois property and casualty insurance company licensed in Oregon, hereby files this Notice of Intent to transition certain Allstate policyholders to Allstate North American Insurance Company (ANAIC) with the Division of Financial Regulation (the “Division”).

### Scope of Transition

Allstate proposes to transition policies from the following companies to ANAIC:

Line	Company	Product	Policies in Force*	Proposed Treatment
Auto	AIC	Standard Auto	6,729	Transition to ANAIC
Auto	AP&C	Standard Auto	3,777	Transition to ANAIC
Auto	AFCIC	Standard Auto	51,632	Transition to ANAIC

*\*Data as of 04/20/2026; counts include trailer policies within the auto rating plan.*

Most current Allstate customers will transition at renewal into ANAIC, providing access to a modernized product. A small subset of customers (approximately 383) without a comparable product solution will receive non-renewal notices and be directed to their agent for alternative coverage options, including through affiliated broker channels.

Line	Company	Treatment	Non-Renewal Notices
Auto	AIC	Nonrenewal	54
Auto	AP&C	Nonrenewal	24
Auto	AFCIC	Nonrenewal	305

### Phased Transition Strategy

Allstate proposes a phased transition over twelve months to support careful monitoring and issue resolution.

- **Phase 1:** Standard risks written through our Exclusive Agent and Direct channels and aligned with ANAIC product features and capabilities. Targeting renewals with effective dates of 9/13/2026 and subsequent.
