Filing Description:

Dear Ms. Langoff:

We have sent notice previously through email of our Intent of discontinue writing our Choice Dwelling program. I am now sending the request through this SERFF filing ASPX-135121509.

The companion rule filing was submitted under SERFF ASPX-134960603.

After careful consideration, sunseting Choice is part of a larger strategic plan to allow ASIC and its affiliated companies to allocate resources toward a more comprehensive homeowners offering that ASIC and its affiliates believe better serves the needs of Maryland customers. Accordingly, ASIC intends to discontinue Choice to allow for focus on the other product.

All in-force insurance policies will continue until they are non-renewed or otherwise terminated consistent with the requirements of the insurance contract and applicable law. Non-renewals will be based on the natural expiration date of the policy, and not on any arbitrary, capricious, or unfairly discriminatory manner or in violation of Md. Code Ann., Ins. § 27-501 of Md. Code Ann., Ins. § 27-606.

ASIC will begin implementing its plan on or after November 15, 2026, by mailing non-renewal notices to Affected Policyholders at least forty-five (45), in advance of the policy expiration date in accordance with Md. Code Ann., Ins. § 27-602. Attached is a copy of the Notice of Non-Renewal for the Affected Policies.

Thank you for your time and attention to this submission. I trust with the enclosed information, you will be able to review our filing and grant approval. Should you have any questions, please contact me at 800 852-2244, extension 33116 or via e-mail at Janice.Gould@Assurant.com.
