Filing Description:

This letter serves as formal notice that Harco National Insurance Company intends to nonrenew its entire book of Commercial Trucking business in California.

This planned substantial withdrawal will commence with policies expiring October 1, 2026, and conclude as the final policies expire on September 30, 2027.

As of May 5, 2026, this block consists of 13 policies with total written premium of \$2,415,871.

Harco has determined that it is unable to continue writing Commercial Trucking business at a loss and has been unable to achieve actuarially adequate rates for this line of business in your state.

All affected policies will be permitted to run to their natural expiration dates, and Harco confirms that proper nonrenewal notice will be provided in accordance with applicable statutory and regulatory requirements.

Harco is not requesting any change to its certificate of authority at this time. The company will continue to monitor market conditions for a sufficient period and will evaluate whether re-entry into the Commercial Trucking market is warranted in the future.

Current writing agents will be notified of this action under separate cover.

Please advise if any additional information is required to comply with this request for approval of a block nonrenewal.
