

With this filing, we are submitting for your review and approval our Roadside Assistance Coverage endorsement (A 4568). Revisions have been made to clarify coverage applicability and establish service limitations.

The following changes apply:

Coverage Applicability:

- Roadside Assistance will now only apply when an insured vehicle listed in your Declarations becomes disabled. Coverage will no longer extend to any other vehicle you may be occupying at the time of disablement.
- Roadside Assistance coverage does not apply if your vehicle is not insured under Part D – Coverage for Damage to Your Auto your vehicle becomes disabled due to a loss that would otherwise be covered under Part D.

Annual Service Limit: Coverage is now limited to a maximum of four (4) disablements per 12-month period per vehicle listed in the Declarations.

We respectfully request your approval of this filing. Should you have any questions or require additional information, please do not hesitate to contact Emily Stephenson at stephe1@nationwide.com.

Thank you for your consideration.
