Dear Superintendent,

Please find, via SERFF, the materials in support of our private passenger auto filing for the New Mexico private passenger auto programs. The effective date for new business is September 25, 2026, and for renewal business is October 29, 2026.

The overall rate changes for this revision are -2.8% for Progressive Northern Insurance Company, Progressive Casualty Insurance Company and Progressive Preferred Insurance Company for our agency channel and for our direct channel, -2.0% for Progressive Direct Insurance Company.

We've updated Uninsured and Underinsured Motorists Bodily Injury and Property Damage coverages to be selectable or rejectable at the vehicle level. These changes necessitated updated rate and factor tables, as well as rules which are included in this filing.

If you require further information, or if you have any questions, please contact me at (920) 915-1321 or by email at akinjide_o_kolade@progressive.com.
